

Kosovo Giving to CSOs 2022

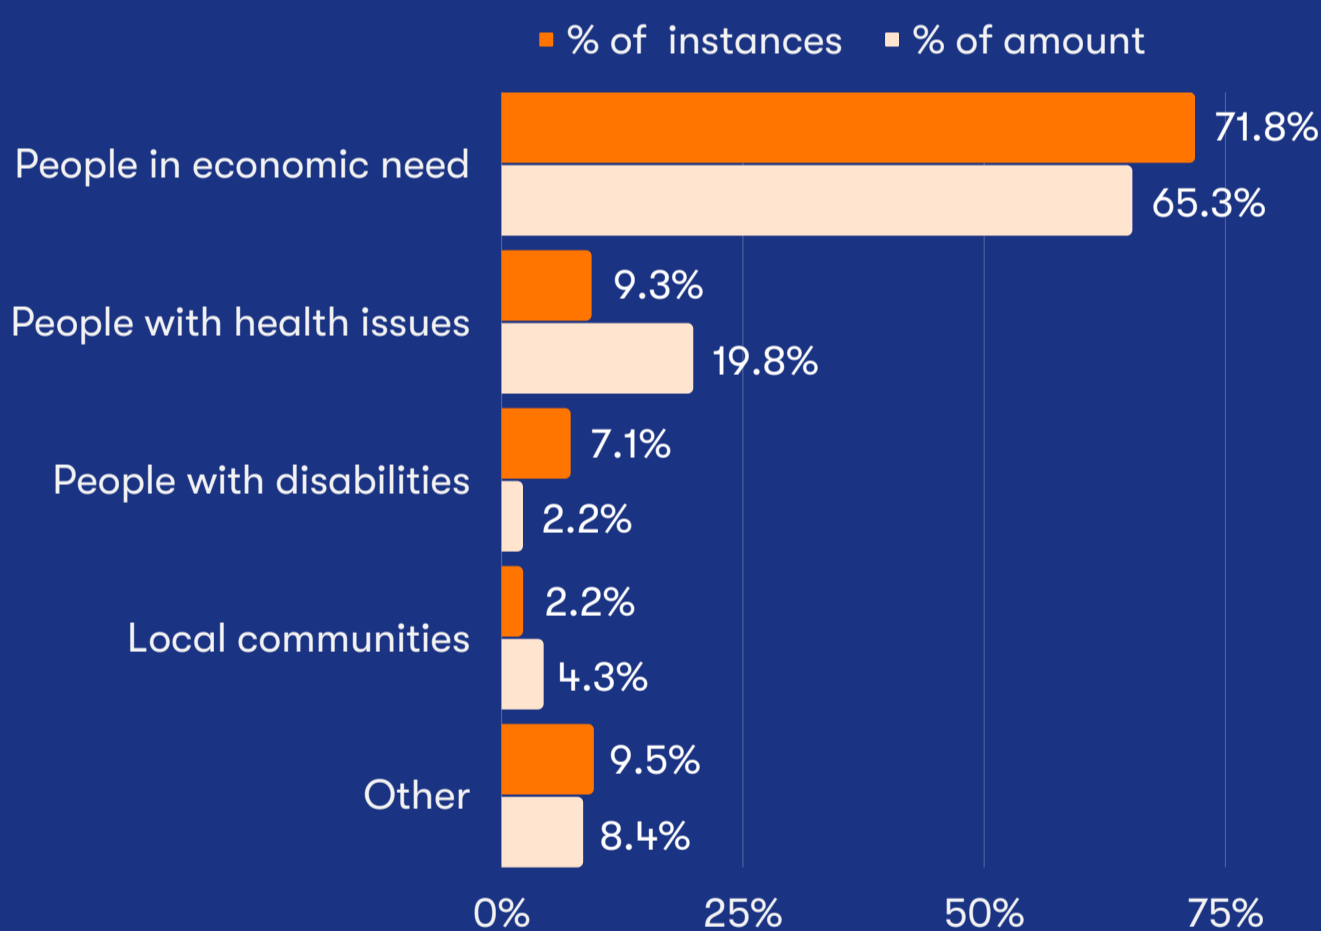

For whom were the donations to CSOs intended?

People in economic need were the most supported beneficiary group, both in terms of frequency and value of donations, followed by people with health issues.

Kosovo Giving to CSOs: Beneficiary Trends 2018 - 2022

Kosovo Giving to CSOs: Beneficiaries in 2022

71.8% of all donation instances and 65.3% of the recorded amount were directed towards individuals in economic need.

People with health issues were supported in 9.3% of instances and 19.8% of the donated amount.

Amongst other, generally less supported beneficiaries, children without parental care had the largest share of instances,
